Welcome to ISTEC Business School. Paris

At ISTECH, we don't just teach management—we empower you to master it. Our Bachelor's program is built to sharpen your ability to think strategically, understand business dynamics, and adapt to an ever-changing world.

LAURENT PLOQUIN
Director General of ISTECH Business School

At ISTECH, we don't just teach management—we empower you to master it. Our Bachelor's program is built to sharpen your ability to think strategically, understand business dynamics, and adapt to an ever-changing world.

Our commitment to academic excellence is reflected in our learning-by-doing methodology, which ensures that students can seamlessly integrate management theories into practical business applications.

What sets ISTECH apart? Real-world immersion from day one. Through our learning-by-doing approach, you won't just learn management, you'll apply it in professional settings, gaining the expertise to lead and innovate with confidence.

ISTECH offers a unique advantage among Grandes Écoles (CGE). With 80% of our students actively engaged in work-study, ISTECH remains committed to providing industry-relevant education and career readiness. Choosing ISTECH means embracing a rigorous, immersive, and future-focused academic experience that enhances professional success.

ISTECH, A School of the Imparare Group

IMPARARE, through its schools—ISTECH, EEMI, Skale, and Skillogs—redefines education with an innovation-first approach that prepares students to lead in a fast-changing world.

Our MISSION is to fuse advanced technology with hands-on learning, ensuring students gain the practical expertise and strategic vision needed to excel in modern industries.

Our VISION is to make future-focused, multidisciplinary education accessible to all, empowering learners from diverse backgrounds to thrive in an increasingly digital and interconnected economy.

We are committed to reshaping higher education with a bold, forward-thinking model that blends academic excellence, industry relevance, and groundbreaking digital innovation.

ISTEC's Journey of Excellence: Milestones & Achievements

1961

Establishment of ISTECE, the Higher Institute of Science, Technology, Economics, and Commerce.

1978

Official recognition by the French government, affirming ISTECE's academic standing.

1986

ISTEC's diploma approved by the Ministry of Higher Education, Research, and Innovation

2013

The Bachelor's degree receives official accreditation from the Ministry of Higher Education.

2018

ISTEC joins the Conférence des Grandes Écoles (CGE), an elite network of France's top engineering and business schools.

2020

The French Ministry of Higher Education officially approves the Diplôme Visé Bac+5 (Master's degree).

2021

Formation of the Imparare Group and the ISTECE x EEMI Incubator, fostering multidisciplinary innovation and entrepreneurship.

2022

ISTEC becomes a member of AACSB, marking the start of its international accreditation process

2023

ISTEC joins EFMD Global and further strengthens its accreditation efforts. The school also receives the "Bienvenue en France" label, recognizing its commitment to welcoming international students.

2024

ISTEC expands its global footprint with the opening of its first campus in Chongqing, China.

2025

2025 - Earns a state-accredited MBA, certified at Bac+5 level (RNCP Level 7) and officially recognized by the French Ministry of Higher Education, Research and Innovation.

- ISTECE partners with the UAE-based ATMS Education Group to expand its BBA and MBA offerings in the Middle East.

Our Values

SOLIDARITY

Mutual aid. Collaboration.

Pedagogical Positioning

A Dynamic, Human-Centered Learning Approach

At ISTEC, we are committed to fostering individual growth and success, ensuring students gain the knowledge, skills, and perspective to thrive in an ever-evolving world.

Our educational approach is built on collaboration, innovation, and ethical leadership, shaping tomorrow's business leaders through four key pillars:

-  **New Business Models:** Students explore alternative business strategies, gaining the expertise to design, launch, and manage innovative, resilient enterprises.
-  **Global Issues:** We cultivate a profound understanding of environmental and economic challenges, equipping students with the knowledge and skills to create innovative, sustainable business solutions.
-  **People & Organizations:** Leadership starts with people. We emphasize responsible management, equity, and the creation of inspiring workplaces.
-  **Humanities:** Beyond business, we integrate languages, philosophy, and history to refine critical thinking and broaden perspectives.

Our faculty is a dynamic mix of renowned researchers and industry experts, blending academic excellence with practical insights. Through hands-on learning, real-world applications, and an immersive curriculum, ISTEC equips students to shape the future's economic, social, and inclusive progress.

Accreditation

Since 2024, ISTECH has been eligible for the EFMD accreditation process.

Labels

In the process of accreditation

The **ISTEC Business School MBA** is a flagship executive education program designed to develop ambitious leaders with a global outlook. Aligned with the provisions of French education law, this program is recognized at the **BAC+5 level**, equivalent to a master's degree in the **French higher education system**. Upon graduation, students are eligible to pursue doctoral-level studies such as the **DBA** or **EDBA**.

Graduates of the **ISTEC MBA** program earn **90 ECTS (European Credit Transfer and Accumulation System)** credits, ensuring the degree is recognized across European universities. This underscores the academic value, mobility, and international credibility of the **ISTEC MBA**.

ISTEC, a proud member of Campus France, received the "**Bienvenue en France**" label in **2023**, highlighting its commitment to creating a welcoming and supportive environment for international students.

ISTEC Business School is proud to be part of France's prestigious Grande École system, an exclusive group of top universities known for strong academics, competitive admissions, and a long-standing reputation for excellence. Often compared to leading institutions like the Ivy League in the U.S., these schools offer exceptional learning environments, strong industry connections, and access to powerful alumni networks.

Officially recognized by the **French Ministry of Higher Education** and accredited by the CEFDG to confer the **Grade de Master (Bac+5)**, ISTECH is ranked among the country's leading business schools, preparing graduates for leadership roles in management and entrepreneurship on a global scale.

Qualiopi certification acknowledges training providers that meet the government and regional quality standards, ensuring excellence in education for trainees.

ISTEC has been awarded this quality certification for the following areas:

- Training programs
- Experience validation initiatives
- Apprenticeship training

This recognition reinforces ISTECH's commitment to delivering high-quality, impactful education tailored to professional success.

Accreditations and labels serve as key benchmarks of excellence, signifying a business school's quality and global recognition. Awarded after rigorous evaluation, they assess the institution's education standards, research impact, and strategic vision. These distinctions enhance credibility, helping business schools stand out in a competitive landscape and attract both students and recruiters.

Academic Focus:

Data Science and Artificial Intelligence

The Future of Business is Data-Driven. Be a Part of It.

The MBA in Data Science and Artificial Intelligence integrates business leadership with advanced data-driven decision-making, equipping professionals with the skills to manage AI-driven innovations and strategic analytics. This program blends core management principles with applied AI and machine learning, ensuring graduates can leverage data science to drive business growth, optimize operations, and enhance strategic decision-making.

This program emphasizes:

- **Develop Leadership in AI-Driven Enterprises** – Cultivate leadership and organizational strategies to navigate AI-powered business transformations effectively
- **Enhance Decision-Making Through Data Insights** – Strengthen analytical proficiency to translate complex datasets into actionable business intelligence.
- **Advanced AI and Machine Learning Applications** – Master real-world AI and machine learning techniques to optimize operations and drive innovation.
- **Implement Ethical Data Governance Practices** – Understand and apply ethical frameworks and data governance principles to ensure responsible AI use.
- **Optimize Business Strategies Using AI-Enabled Insights** – Integrate AI-driven analytics into financial, marketing, and operational strategies for competitive advantage.
- **Refine Data Exploration and Management Techniques** – Develop expertise in data exploration, management, and storytelling for impactful decision-making.
- **Align AI Solutions with Organizational Goals** – Apply AI models strategically to align with business objectives and enhance operational efficiency.
- **Drive Innovation Through AI-Powered Storytelling** – Leverage data visualization and narrative techniques to communicate insights effectively to diverse audiences.

The MBA in Data Science and Artificial Intelligence combines business leadership with advanced analytics, preparing professionals to harness AI-driven innovation and strategic insights. Graduates will gain expertise in AI applications, ethical data governance, and data-driven storytelling while leveraging machine learning and analytics to optimize business strategies. The program cultivates leadership in AI-powered enterprises, equipping professionals to align AI solutions with organizational goals and enhance efficiency.

Program Overview

MBA in Data Science and Artificial Intelligence

The MBA in Data Science and Artificial Intelligence equips professionals with the expertise to integrate advanced analytics and AI-driven strategies into business decision-making. Designed for those seeking to lead in data-driven enterprises, this program blends essential management principles with cutting-edge AI applications. Students will develop the ability to leverage artificial intelligence for business innovation, operational efficiency, and strategic growth, gaining practical experience in data management, machine learning, and AI implementation to drive transformative solutions across industries.

Program Structure

The curriculum is thoughtfully designed to provide a strong foundation in business management while integrating specialized expertise in data science and artificial intelligence.

Semester 1: Business Foundations

This semester establishes a strong managerial framework, equipping students with essential leadership, human resource, marketing, finance, and strategic decision-making skills. Additionally, the introduction of data storytelling enhances their ability to communicate insights effectively, ensuring they can bridge business knowledge with analytical precision.

Semester 2: Data Science and AI Specialization

Building upon the foundational principles of business management, this semester delves into data science methodologies and AI applications. These competencies empower them to leverage data-driven strategies for innovation and competitive advantage.

Semester 3: Practical Application

Provides hands-on experience through a capstone project and internship, allowing students to apply AI and data science skills to real-world business challenges.

Why Choose This Program?

- **Strengthen Leadership with Data-Driven Insights** – Gain the ability to make smarter business decisions by integrating AI and analytics into everyday operations, helping professionals drive efficiency and innovation across industries.
- **Stay Ahead in a Rapidly Changing Business World** – Technology is reshaping industries, and this MBA equips professionals with practical AI and data skills to remain competitive, adapt to trends, and lead digital transformation.
- **Unlock New Career Opportunities** – Whether in finance, healthcare, retail, or consulting, AI is transforming business roles. This program prepares professionals to expand their expertise and take on leadership positions in evolving fields.
- **Apply AI for Business Growth and Efficiency** – Learn to harness AI and data science to streamline processes, enhance customer experiences, and improve decision-making, creating real impact in any industry.
- **Flexible Learning for Working Professionals** – Designed for busy professionals, this MBA balances theory with practical applications, allowing students to develop valuable AI and analytics skills without disrupting their careers.

Choosing an MBA in Data Science and AI equips professionals with the expertise to navigate an increasingly data-driven business world. This program blends strategic leadership with advanced analytics, enabling graduates to harness AI for innovation, efficiency, and informed decision-making. With a balanced approach that integrates technical skills and practical applications, it offers working professionals the flexibility to enhance their careers while staying ahead in a rapidly evolving industry.

10 Compelling Reasons to Pursue a Master's Degree at ISTEC Business School

- International Prestige with Official Recognition - Earn a globally respected degree accredited by the French Ministry of Higher Education, ensuring academic excellence and international recognition.
- Elite Business School in Central Paris - Join a Grande École of Management located at the heart of Paris, Europe's center for business, culture, and opportunity.
- Accredited and Government-Recognized Programs - Graduate with a state-controlled Visa diploma and RNCP Level 7 title, providing both national validation and international relevance.
- Industry-Aligned Curriculum - Programs are developed in close consultation with employers to reflect the latest market needs and practices.
- Expert Faculty with Real-World Insight - Learn from an accomplished mix of academic scholars and seasoned professionals with practical experience and deep subject expertise.
- Tailored Specializations - Choose from 15 career-focused tracks designed to equip you for leadership roles in evolving industries.
- Entrepreneurial Focus - Strengthen your innovation, leadership, and strategic thinking to succeed in entrepreneurial or intrapreneurial environments.
- Inclusive and Accessible Education - Study in an environment that prioritizes equity, affordability, and diverse learning pathways.
- Global Alumni Community - Tap into an active international network of graduates making an impact in business and beyond.
- Career-Centered Learning Experience - Benefit from strong industry connections, real-world projects, and dedicated career support that align your studies with long-term goals.

Empower Your Next Move

Program Flexibility

Empowering Professionals to Learn on Their Terms

ISTEC Business School recognizes the evolving needs of today's professionals, demanding flexibility without compromising academic quality. Its MBA program is designed to adapt to diverse lifestyles, providing a globally accessible, structured learning experience.

100% Online Format - Study anytime, anywhere.

ISTEC's advanced digital platform enables students to:

- Access recorded lectures for on-demand learning
- Participate in interactive discussions and assignments
- Join live sessions with faculty and peers
- Receive personalized academic support and guidance

Whether managing a business, traveling frequently, or balancing professional responsibilities, students benefit from a seamless, high-quality learning journey that transcends time zones and geographic boundaries.

Non-term Enrollment - Begin when it suits your schedule.

With rolling admissions and a non-term academic model, ISTEC offers:

- Immediate enrollment upon application acceptance
- Flexible commencement dates
- Customizable academic calendars
- Self-paced program progression

Students may complete their MBA in as little as 12 months or extend to 18 months, aligning their studies with professional ambitions and personal commitments.

MBA Admissions

Empowering Professionals to Drive Meaningful Change

ISTEC Business School's MBA program is tailored for ambitious professionals committed to advancing their careers and making an impact within their industries. The admissions process takes a holistic approach, evaluating both academic credentials and leadership potential.

Admission Criteria

To be considered for the MBA program, applicants must meet the following requirements:

- A bachelor's degree from a recognized institution (in any discipline)
- Relevant professional work experience

Academic Counselor Guidance - Personalized Support from Enquiry to Enrollment.

From the initial enquiry to program enrollment, each applicant is guided by a dedicated academic counselor. ISTEC's experienced counselors provide:

- Personalized consultations to clarify career goals.
- Support in selecting the program format and specialization aligned with individual aspirations.
- Assistance in preparing the application and required documentation.
- Step-by-step guidance through the enrollment process.

This personalized support helps every student start the program with a clear understanding of what to expect and how it fits with their goal, whether they're aiming to lead teams, start a business, or take the next step in their career.
