Welcome to ISTEC Business School. Paris

At ISTECH, we don't just teach management—we empower you to master it. Our Bachelor's program is built to sharpen your ability to think strategically, understand business dynamics, and adapt to an ever-changing world.

LAURENT PLOQUIN
Director General of ISTECH Business School

At ISTECH, we don't just teach management—we empower you to master it. Our Bachelor's program is built to sharpen your ability to think strategically, understand business dynamics, and adapt to an ever-changing world.

Our commitment to academic excellence is reflected in our learning-by-doing methodology, which ensures that students can seamlessly integrate management theories into practical business applications.

What sets ISTECH apart? Real-world immersion from day one. Through our learning-by-doing approach, you won't just learn management, you'll apply it in professional settings, gaining the expertise to lead and innovate with confidence.

ISTECH offers a unique advantage among Grandes Écoles (CGE). With 80% of our students actively engaged in work-study, ISTECH remains committed to providing industry-relevant education and career readiness. Choosing ISTECH means embracing a rigorous, immersive, and future-focused academic experience that enhances professional success.

ISTECH, A School of the Imparare Group

IMPARARE, through its schools—ISTECH, EEMI, Skale, and Skillogs—redefines education with an innovation-first approach that prepares students to lead in a fast-changing world.

Our MISSION is to fuse advanced technology with hands-on learning, ensuring students gain the practical expertise and strategic vision needed to excel in modern industries.

Our VISION is to make future-focused, multidisciplinary education accessible to all, empowering learners from diverse backgrounds to thrive in an increasingly digital and interconnected economy.

We are committed to reshaping higher education with a bold, forward-thinking model that blends academic excellence, industry relevance, and groundbreaking digital innovation.

ISTEC's Journey of Excellence: Milestones & Achievements

1961

Establishment of ISTEC, the Higher Institute of Science, Technology, Economics, and Commerce.

1978

Official recognition by the French government, affirming ISTEC's academic standing.

1986

ISTEC's diploma approved by the Ministry of Higher Education, Research, and Innovation

2013

The Bachelor's degree receives official accreditation from the Ministry of Higher Education.

2018

ISTEC joins the Conférence des Grandes Écoles (CGE), an elite network of France's top engineering and business schools.

2020

The French Ministry of Higher Education officially approves the Diplôme Visé Bac+5 (Master's degree).

2021

Formation of the Imparare Group and the ISTEC x EEMI Incubator, fostering multidisciplinary innovation and entrepreneurship.

2022

ISTEC becomes a member of AACSB, marking the start of its international accreditation process

2023

ISTEC joins EFMD Global and further strengthens its accreditation efforts. The school also receives the "Bienvenue en France" label, recognizing its commitment to welcoming international students.

2024

ISTEC expands its global footprint with the opening of its first campus in Chongqing, China.

2025

2025 - Earns a state-accredited MBA, certified at Bac+5 level (RNCP Level 7) and officially recognized by the French Ministry of Higher Education, Research and Innovation.

- ISTEC partners with the UAE-based ATMS Education Group to expand its BBA and MBA offerings in the Middle East.

Our Values

Pedagogical Positioning

A Dynamic, Human-Centered Learning Approach

At ISTEC, we are committed to fostering individual growth and success, ensuring students gain the knowledge, skills, and perspective to thrive in an ever-evolving world.

Our educational approach is built on collaboration, innovation, and ethical leadership, shaping tomorrow's business leaders through four key pillars:

-  **New Business Models:** Students explore alternative business strategies, gaining the expertise to design, launch, and manage innovative, resilient enterprises.
-  **Global Issues:** We cultivate a profound understanding of environmental and economic challenges, equipping students with the knowledge and skills to create innovative, sustainable business solutions.
-  **People & Organizations:** Leadership starts with people. We emphasize responsible management, equity, and the creation of inspiring workplaces.
-  **Humanities:** Beyond business, we integrate languages, philosophy, and history to refine critical thinking and broaden perspectives.

Our faculty is a dynamic mix of renowned researchers and industry experts, blending academic excellence with practical insights. Through hands-on learning, real-world applications, and an immersive curriculum, ISTEC equips students to shape the future's economic, social, and inclusive progress.

Accreditation

Since 2024, ISTECH has been eligible for the EFMD accreditation process.

Labels

In the process of accreditation

The **ISTEC Business School MBA** is a flagship executive education program designed to develop ambitious leaders with a global outlook. Aligned with the provisions of French education law, this program is recognized at the **BAC+5 level**, equivalent to a master's degree in the **French higher education system**. Upon graduation, students are eligible to pursue doctoral-level studies such as the **DBA** or **EDBA**.

Graduates of the **ISTEC MBA** program earn **90 ECTS (European Credit Transfer and Accumulation System)** credits, ensuring the degree is recognized across European universities. This underscores the academic value, mobility, and international credibility of the **ISTEC MBA**.

ISTEC, a proud member of Campus France, received the "**Bienvenue en France**" label in **2023**, highlighting its commitment to creating a welcoming and supportive environment for international students.

ISTEC Business School is proud to be part of France's prestigious Grande École system, an exclusive group of top universities known for strong academics, competitive admissions, and a long-standing reputation for excellence. Often compared to leading institutions like the Ivy League in the U.S., these schools offer exceptional learning environments, strong industry connections, and access to powerful alumni networks.

Officially recognized by the **French Ministry of Higher Education** and accredited by the CEFDG to confer the **Grade de Master (Bac+5)**, ISTECH is ranked among the country's leading business schools, preparing graduates for leadership roles in management and entrepreneurship on a global scale.

Qualiopi certification acknowledges training providers that meet the government and regional quality standards, ensuring excellence in education for trainees.

ISTEC has been awarded this quality certification for the following areas:

- Training programs
- Experience validation initiatives
- Apprenticeship training

This recognition reinforces ISTECH's commitment to delivering high-quality, impactful education tailored to professional success.

Accreditations and labels serve as key benchmarks of excellence, signifying a business school's quality and global recognition. Awarded after rigorous evaluation, they assess the institution's education standards, research impact, and strategic vision. These distinctions enhance credibility, helping business schools stand out in a competitive landscape and attract both students and recruiters.

Academic Focus: Oil and Gas Management

Strategic Leadership for a Changing Energy Landscape.

This specialized MBA program is designed for professionals looking to advance their careers in the energy sector. It combines leadership development, business strategy, and industry-specific knowledge to equip graduates with the skills needed to manage operations, make strategic decisions, and drive innovation in oil and gas companies.

This MBA in Oil and Gas Management's key areas of focus include global energy markets, financial and risk management, sustainability, and emerging technologies in the industry.

What You Will Gain:

- **Develop Strategic Leadership in Energy Markets** – Strengthen decision-making abilities to effectively lead in the evolving oil and gas sector.
- **Master Global Energy Economics & Policy** – Analyze international market dynamics, regulatory frameworks, and economic strategies shaping the industry.
- **Drive Sustainable & Innovative Energy Solutions** – Integrate environmental considerations with cutting-edge strategies to balance profitability and sustainability.
- **Enhance Operational Efficiency & Risk Management** – Optimize processes, mitigate financial and operational risks, and streamline global supply chain management.
- **Advanced Financial & Investment Expertise in Energy** – Apply financial modeling, cost analysis, and strategic investment planning tailored to the oil and gas industry.
- **Leverage Technology & Digital Innovation in Oil & Gas** – Explore the transformative impact of AI, blockchain, and automation on industry operations and leadership.
- **Promote Ethical Leadership & Corporate Responsibility** – Cultivate principled decision-making and governance practices that align with industry and societal expectations.

This MBA is designed for professionals seeking to elevate their expertise and leadership in the oil and gas industry. By combining business strategy with sector-specific knowledge, graduates will be equipped to drive innovation, enhance operational performance, and shape the future of global energy markets.

Program Overview

MBA in Oil and Gas Management

This MBA in Oil and Gas Management is designed for experienced professionals seeking to advance their careers in the energy sector. It blends leadership, business strategy, and industry expertise to equip graduates with the skills needed to manage complex operations, drive innovation, and navigate global energy challenges.

Program Structure

The curriculum is carefully structured to provide a well-rounded understanding of management principles alongside specialized insights into the oil and gas industry:

Semester 1: Foundations of Leadership & Business Strategy

Focuses on foundational business competencies, enhancing communication, leadership, financial acumen, and strategic thinking to prepare professionals for high-level management roles.

Semester 2: Applied Engineering and Business Management

Introduces industry-specific knowledge, covering marketing, project management, energy strategies, sustainability, and policy frameworks essential for effective decision-making in global energy markets.

Semester 3: Applied Learning and Professional Growth

Offers practical exposure through a capstone project or thesis and an internship report, ensuring graduates apply their learning to real-world challenges in the oil and gas sector.

Why Choose This Program?

- **Industry-Relevant Expertise** – Gain specialized knowledge in managing energy markets, financial strategies, and operational efficiency within oil and gas.
- **Leadership Development** – Strengthen decision-making, negotiation, and stakeholder management skills essential for leading teams in a dynamic sector.
- **Global Perspective on Energy Markets** – Understand international regulations, sustainability policies, and emerging trends shaping the oil and gas industry.
- **Strategic and Financial Acumen** – Master financial planning, investment strategies, and risk management tailored to oil and gas enterprises.
- **Optimized Career Growth** – Designed for working professionals, this MBA balances theoretical foundations with real-world applications, ensuring immediate impact.

This MBA in Oil and Gas Management equips professionals with the leadership skills and industry expertise needed to excel in the global energy sector. Graduates will be prepared to navigate market fluctuations, manage operational complexities, and make strategic decisions that drive business success. With a strong focus on innovation and sustainability, the program empowers professionals to lead transformation, integrate emerging technologies, and shape the future of energy. Designed for working professionals, it provides a flexible learning experience that balances technical mastery with executive leadership.

- Career-Centered Learning Experience - Benefit from strong industry connections, real-world projects, and dedicated career support that align your studies with long-term goals.

Empower Your Next Move

Program Flexibility

Empowering Professionals to Learn on Their Terms

ISTEC Business School recognizes the evolving needs of today's professionals, demanding flexibility without compromising academic quality. Its MBA program is designed to adapt to diverse lifestyles, providing a globally accessible, structured learning experience.

100% Online Format - Study anytime, anywhere.

ISTEC's advanced digital platform enables students to:

- Access recorded lectures for on-demand learning
- Participate in interactive discussions and assignments
- Join live sessions with faculty and peers
- Receive personalized academic support and guidance

Whether managing a business, traveling frequently, or balancing professional responsibilities, students benefit from a seamless, high-quality learning journey that transcends time zones and geographic boundaries.

Non-term Enrollment - Begin when it suits your schedule.

With rolling admissions and a non-term academic model, ISTEC offers:

- Immediate enrollment upon application acceptance
- Flexible commencement dates
- Customizable academic calendars
- Self-paced program progression

Students may complete their MBA in as little as 12 months or extend to 18 months, aligning their studies with professional ambitions and personal commitments.

MBA Admissions

Empowering Professionals to Drive Meaningful Change

ISTEC Business School's MBA program is tailored for ambitious professionals committed to advancing their careers and making an impact within their industries. The admissions process takes a holistic approach, evaluating both academic credentials and leadership potential.

Admission Criteria

To be considered for the MBA program, applicants must meet the following requirements:

- A bachelor's degree from a recognized institution (in any discipline)
- Relevant professional work experience

Academic Counselor Guidance - Personalized Support from Enquiry to Enrollment.

From the initial enquiry to program enrollment, each applicant is guided by a dedicated academic counselor. ISTEC's experienced counselors provide:

- Personalized consultations to clarify career goals.
- Support in selecting the program format and specialization aligned with individual aspirations.
- Assistance in preparing the application and required documentation.
- Step-by-step guidance through the enrollment process.

This personalized support helps every student start the program with a clear understanding of what to expect and how it fits with their goal, whether they're aiming to lead teams, start a business, or take the next step in their career.
