Welcome to ISTEC Business School. Paris

At ISTECH, we don't just teach management—we empower you to master it. Our Bachelor's program is built to sharpen your ability to think strategically, understand business dynamics, and adapt to an ever-changing world.

LAURENT PLOQUIN
Director General of ISTECH Business School

At ISTECH, we don't just teach management—we empower you to master it. Our Bachelor's program is built to sharpen your ability to think strategically, understand business dynamics, and adapt to an ever-changing world.

Our commitment to academic excellence is reflected in our learning-by-doing methodology, which ensures that students can seamlessly integrate management theories into practical business applications.

What sets ISTECH apart? Real-world immersion from day one. Through our learning-by-doing approach, you won't just learn management, you'll apply it in professional settings, gaining the expertise to lead and innovate with confidence.

ISTECH offers a unique advantage among Grandes Écoles (CGE). With 80% of our students actively engaged in work-study, ISTECH remains committed to providing industry-relevant education and career readiness. Choosing ISTECH means embracing a rigorous, immersive, and future-focused academic experience that enhances professional success.

ISTECH, A School of the Imparare Group

IMPARARE, through its schools—ISTECH, EEMI, Skale, and Skillogs—redefines education with an innovation-first approach that prepares students to lead in a fast-changing world.

Our MISSION is to fuse advanced technology with hands-on learning, ensuring students gain the practical expertise and strategic vision needed to excel in modern industries.

Our VISION is to make future-focused, multidisciplinary education accessible to all, empowering learners from diverse backgrounds to thrive in an increasingly digital and interconnected economy.

We are committed to reshaping higher education with a bold, forward-thinking model that blends academic excellence, industry relevance, and groundbreaking digital innovation.

ISTEC's Journey of Excellence: Milestones & Achievements

1961

Establishment of ISTE, the Higher Institute of Science, Technology, Economics, and Commerce.

1978

Official recognition by the French government, affirming ISTE's academic standing.

1986

ISTEC's diploma approved by the Ministry of Higher Education, Research, and Innovation

2013

The Bachelor's degree receives official accreditation from the Ministry of Higher Education.

2018

ISTEC joins the Conférence des Grandes Écoles (CGE), an elite network of France's top engineering and business schools.

2020

The French Ministry of Higher Education officially approves the Diplôme Visé Bac+5 (Master's degree).

2021

Formation of the Imparare Group and the ISTE x EEMI Incubator, fostering multidisciplinary innovation and entrepreneurship.

2022

ISTEC becomes a member of AACSB, marking the start of its international accreditation process

2023

ISTEC joins EFMD Global and further strengthens its accreditation efforts. The school also receives the "Bienvenue en France" label, recognizing its commitment to welcoming international students.

2024

ISTEC expands its global footprint with the opening of its first campus in Chongqing, China.

2025

2025 - Earns a state-accredited MBA, certified at Bac+5 level (RNCP Level 7) and officially recognized by the French Ministry of Higher Education, Research and Innovation.

- ISTE partners with the UAE-based ATMS Education Group to expand its BBA and MBA offerings in the Middle East.

Pedagogical Positioning

A Dynamic, Human-Centered Learning Approach

At ISTEC, we are committed to fostering individual growth and success, ensuring students gain the knowledge, skills, and perspective to thrive in an ever-evolving world.

Our educational approach is built on collaboration, innovation, and ethical leadership, shaping tomorrow's business leaders through four key pillars:

-  **New Business Models:** Students explore alternative business strategies, gaining the expertise to design, launch, and manage innovative, resilient enterprises.
-  **Global Issues:** We cultivate a profound understanding of environmental and economic challenges, equipping students with the knowledge and skills to create innovative, sustainable business solutions.
-  **People & Organizations:** Leadership starts with people. We emphasize responsible management, equity, and the creation of inspiring workplaces.
-  **Humanities:** Beyond business, we integrate languages, philosophy, and history to refine critical thinking and broaden perspectives.

Our faculty is a dynamic mix of renowned researchers and industry experts, blending academic excellence with practical insights. Through hands-on learning, real-world applications, and an immersive curriculum, ISTEC equips students to shape the future's economic, social, and inclusive progress.

Accreditation

Since 2024, ISTECH has been eligible for the EFMD accreditation process.

Labels

In the process of accreditation

The **ISTEC Business School MBA** is a flagship executive education program designed to develop ambitious leaders with a global outlook. Aligned with the provisions of French education law, this program is recognized at the **BAC+5 level**, equivalent to a master's degree in the **French higher education system**. Upon graduation, students are eligible to pursue doctoral-level studies such as the **DBA** or **EDBA**.

Graduates of the **ISTEC MBA** program earn **90 ECTS (European Credit Transfer and Accumulation System)** credits, ensuring the degree is recognized across European universities. This underscores the academic value, mobility, and international credibility of the **ISTEC MBA**.

ISTEC, a proud member of Campus France, received the "**Bienvenue en France**" label in **2023**, highlighting its commitment to creating a welcoming and supportive environment for international students.

ISTEC Business School is proud to be part of France's prestigious Grande École system, an exclusive group of top universities known for strong academics, competitive admissions, and a long-standing reputation for excellence. Often compared to leading institutions like the Ivy League in the U.S., these schools offer exceptional learning environments, strong industry connections, and access to powerful alumni networks.

Officially recognized by the **French Ministry of Higher Education** and accredited by the CEFDG to confer the **Grade de Master (Bac+5)**, ISTECH is ranked among the country's leading business schools, preparing graduates for leadership roles in management and entrepreneurship on a global scale.

Qualiopi certification acknowledges training providers that meet the government and regional quality standards, ensuring excellence in education for trainees.

ISTEC has been awarded this quality certification for the following areas:

- Training programs
- Experience validation initiatives
- Apprenticeship training

This recognition reinforces ISTECH's commitment to delivering high-quality, impactful education tailored to professional success.

Accreditations and labels serve as key benchmarks of excellence, signifying a business school's quality and global recognition. Awarded after rigorous evaluation, they assess the institution's education standards, research impact, and strategic vision. These distinctions enhance credibility, helping business schools stand out in a competitive landscape and attract both students and recruiters.

Academic Focus: Quality Management

Mastering Precision, Driving Business Excellence.

The MBA in Quality Management focuses on equipping professionals with the expertise to enhance organizational efficiency, ensure product and service excellence, and drive continuous improvement. This program integrates core business disciplines with specialized quality management principles to develop leaders who can implement strategic quality initiatives across industries.

This MBA in Quality Management focuses on strategic quality assurance, operational excellence, process optimization, continuous improvement methodologies, and emerging trends in global quality standards.

This program emphasizes:

- **Develop Strategic Marketing Insights** – Apply marketing management principles to position quality-driven products and services effectively in competitive markets.
- **Enhance Research and Analytical Skills** – Utilize research methods to assess quality performance, identify improvement opportunities, and support data-driven decision-making.
- **Cultivate Leadership Excellence** – Strengthen leadership capabilities to foster a culture of quality, innovation, and continuous improvement within organizations.
- **Optimize Operational Efficiency** – Implement operations management strategies to streamline processes, reduce defects, and enhance productivity.
- **Apply Economic Principles to Quality Management** – Utilize managerial economics to assess the financial impact of quality initiatives and make informed strategic decisions.
- **Leverage Technology for Quality Assurance** – Integrate management information systems to monitor quality metrics, automate processes, and enhance decision-making.
- **Implement Total Quality Management (TQM) Practices** – Apply TQM principles to create a customer-centric approach that ensures long-term quality sustainability.
- **Strengthen Quality Control & Improvement Strategies** – Utilize quality control techniques to maintain high standards and implement continuous improvement methodologies.
- **Utilize Statistical Methods for Quality Assurance** – Apply statistical tools to analyze quality data, detect trends, and enhance process reliability.

An MBA in Quality Management prepares professionals to lead quality-driven organizations by integrating business acumen with specialized quality assurance techniques. Graduates of this program will be equipped to implement strategic quality initiatives, optimize operational efficiency, and foster innovation, ensuring sustainable business success in competitive global markets.

Program Overview

MBA in Quality Management

The MBA in Quality Management is designed to equip professionals with the expertise to enhance organizational efficiency, ensure product and service excellence, and drive continuous improvement. This program integrates core business disciplines with specialized quality management principles, preparing graduates to implement strategic quality initiatives across industries.

Program Structure

The curriculum is carefully designed to provide a comprehensive understanding of quality management, alongside specialized insights into process optimization, operational excellence, and strategic decision-making for sustainable business success.

Semester 1: Core Business Foundations

This semester builds a strong foundation in business management, focusing on leadership, financial acumen, communication, and entrepreneurial innovation. Students develop essential decision-making and problem-solving skills while gaining insights into economic principles and digital systems that support organizational success.

Semester 2: Quality Management & Operational Excellence

Students shift their focus to specialized quality management disciplines, including total quality management, operations optimization, and statistical methods for assurance. This semester emphasizes research-driven decision-making, strategic marketing, and process improvement strategies to enhance business efficiency and competitiveness.

Semester 3: Capstone & Practical Exposure

Students apply their knowledge through a capstone project or thesis, integrating theory with industry best practices.

Why Choose This Program?

- **Mastering Quality Standards & Compliance** – Gain expertise in Six Sigma, Total Quality Management (TQM), and Lean methodologies, ensuring businesses meet industry standards and regulatory requirements.
- **Driving Operational Efficiency** – Learn to identify inefficiencies, reduce waste, and enhance productivity, making organizations more competitive and cost-effective.
- **Strategic Leadership in Quality Management** – Develop leadership skills to implement quality initiatives, manage teams, and drive continuous improvement in business operations.
- **Data-Driven Decision-Making** – Utilize quality analytics, performance metrics, and management systems to optimize processes and ensure consistent product and service excellence.
- **Adaptability in a Changing Business Landscape** – Stay ahead of technological advancements, digital transformation, and evolving quality standards, ensuring relevance in dynamic industries.

This MBA in Quality Management is designed with flexibility in mind, offering part-time, online, and executive formats to accommodate busy schedules. It enables professionals to upskill while working, applying new strategies immediately in their roles. Whether transitioning into quality leadership or refining existing expertise, this degree provides the strategic edge needed to thrive in modern business environments.

- Expert Faculty with Real-World Insight - Learn from an accomplished mix of academic scholars and seasoned professionals with practical experience and deep subject expertise.
- Tailored Specializations - Choose from 15 career-focused tracks designed to equip you for leadership roles in evolving industries.
- Entrepreneurial Focus - Strengthen your innovation, leadership, and strategic thinking to succeed in entrepreneurial or intrapreneurial environments.
- Inclusive and Accessible Education - Study in an environment that prioritizes equity, affordability, and diverse learning pathways.
- Global Alumni Community - Tap into an active international network of graduates making an impact in business and beyond.
- Career-Centered Learning Experience - Benefit from strong industry connections, real-world projects, and dedicated career support that align your studies with long-term goals.

Empower Your Next Move

Program Flexibility

Empowering Professionals to Learn on Their Terms

ISTEC Business School recognizes the evolving needs of today's professionals, demanding flexibility without compromising academic quality. Its MBA program is designed to adapt to diverse lifestyles, providing a globally accessible, structured learning experience.

100% Online Format - Study anytime, anywhere.

ISTEC's advanced digital platform enables students to:

- Access recorded lectures for on-demand learning
- Participate in interactive discussions and assignments
- Join live sessions with faculty and peers
- Receive personalized academic support and guidance

Whether managing a business, traveling frequently, or balancing professional responsibilities, students benefit from a seamless, high-quality learning journey that transcends time zones and geographic boundaries.

Non-term Enrollment - Begin when it suits your schedule.

With rolling admissions and a non-term academic model, ISTEC offers:

- Immediate enrollment upon application acceptance
- Flexible commencement dates
- Customizable academic calendars
- Self-paced program progression

Students may complete their MBA in as little as 12 months or extend to 18 months, aligning their studies with professional ambitions and personal commitments.

MBA Admissions

Empowering Professionals to Drive Meaningful Change

ISTEC Business School's MBA program is tailored for ambitious professionals committed to advancing their careers and making an impact within their industries. The admissions process takes a holistic approach, evaluating both academic credentials and leadership potential.

Admission Criteria

To be considered for the MBA program, applicants must meet the following requirements:

- A bachelor's degree from a recognized institution (in any discipline)
- Relevant professional work experience

Academic Counselor Guidance - Personalized Support from Enquiry to Enrollment.

From the initial enquiry to program enrollment, each applicant is guided by a dedicated academic counselor. ISTEC's experienced counselors provide:

- Personalized consultations to clarify career goals.
- Support in selecting the program format and specialization aligned with individual aspirations.
- Assistance in preparing the application and required documentation.
- Step-by-step guidance through the enrollment process.

This personalized support helps every student start the program with a clear understanding of what to expect and how it fits with their goal, whether they're aiming to lead teams, start a business, or take the next step in their career.
